Golf Break Booking Terms & Important Information

1 in 16 free: For every qualifying group of 16 guests, one place is free. This covers the applicable food, golf and hotel package on a twin-share basis only. The free place cannot be taken as a single room and does not include buggy hire or other chargeable extras.

Unlimited golf: Unlimited golf is subject to course and tee-time availability. Golf-break guests cannot tee off before 10:00am on any day of the week.

Second rounds: Second-round tee times cannot be booked in advance. They are allocated on a first-come, first-served basis on the day and cannot be guaranteed.

Winter golf: During winter golf breaks, no separate green-fee charge is made because weather and course conditions cannot be guaranteed. If the course is closed, restricted or affected by adverse weather, no golf refund will be due. We will always do our best to keep the course open whenever conditions safely allow.

Buggies: Buggies are subject to availability and may be restricted or withdrawn because of weather or ground conditions. Advance reservation is recommended, but availability cannot be guaranteed.

Room occupancy: Golf-break prices are per person and based on two guests sharing a twin or double room unless stated otherwise. Single occupancy carries the applicable nightly supplement and is subject to availability.

General: All packages, accommodation, dining, tee times and extras are subject to availability. Prices apply to the stated periods and cannot be combined with other offers unless specifically agreed by Trethorne Golf Club.

Please confirm final availability, tee times and package details at the time of booking.
